CATEGORY LIST

Some categories may not sound very digital. However, we see products that can be integrated into a digital environment as part of the digital production chain that can participate in the EDP Awards.
The EDP Association reserves the right to add, change, remove or combine categories.

———

If your product does not fit into any of the listed categories, please contact the EDP Technical Committee or explain your reasons on the submission form. Please do not create own categories!

Please select the category in which you would like to nominate your product, state the number and name of the category in the entry form. Multiple nominations for a product in different categories are possible.
Please use a separate entry form for each product.
